

COLONY

SEARCH ENGINE OPTIMIZATION

Modern **SEO** solutions for growing businesses

Our SEO products are carefully curated using only techniques proven to work in 2023 without the low return filler many agencies include. Allowing us to offer highly effective packages at industry leading rates.

Just affordable monthly subscriptions without any large one-off costs.

Get more **organic traffic**

Boost website traffic

Improved search engine performance gets you noticed and helps capture organic traffic

Conversion opportunities

Increased website traffic means more opportunities for customers to purchase or get in touch

Control your cashflow

Our monthly plans have no large one-off costs, just peace of mind with transparent pricing agreed upfront.

Focus on your business

Our experts guide you through the growth process so you can focus on what's important.

All our subscriptions include...

Research

A deep dive in the search trends in your niche and the strategies used by competitors

Strategy

Creation of a bespoke SEO strategy to target the optimal keywords for your business

Keywords

On-page and meta tag optimisation and content suggestions in line with your target keywords

Backlinks

Monthly building of backlinks from high quality domains to improve your websites authority

Technical Fixes

Identification and resolution of website errors and warnings that are supressing your ranking

Analytics

Regular reporting and insight on rankings, impressions, clicks, traffic and more

SEO CASE STUDY

Bankuet

6
Months

We partnered with one of the UK's leading food bank facilitators to boost their organic traffic. First quarter results saw significant increases in impressions, traffic and website revenue.
